a. NCAT have stated that Dinnen is not available

b. Yet Dinnen has been assigned newer matters post dating the 2020 / 000287835 proceedings.

Please provide reasons why Dinnen is unavailable for 2020 / 000287835 (yet is available for those recent matters?)

This request is consistent with my CAT Act Sect.62 rights.

I note that the registry has neither confirmed this Sect.62 request nor confirmed that the Sect.62 request has been referred to Dinnen

I request confirmation that my Sect.62 rights are being upheld.

I do not wish to be forced to resend this email because of failures of NCAT to abide by those legislative statutory obligations

Sincerely

Peter Zonneville

forced applicant / forced appellant
